

2022 Fall Gathering Updates

Friday, July 15, 2022

Just over a month before Fall Gathering registration opens and we are looking forward to seeing everyone soon!

Last year we heard from some long-time attendees who worried they wouldn't be able to get into a Gathering since they were in the second group to register. We heard those concerns and adjusted the registration timeline so that we can still offer "newcomers" a chance to register/attend, and potentially alleviate some of the angst felt by returnees. We have shortened the first registration window to 24 hours, and general registration opens the next morning at 8am. Our plan is to continue to open registration up to anyone who did not register – regardless of attendance – to the previous Gathering for the first day. The second day of registration will be open to all. By posting announcements and updates on our social media pages and website, we hope to give everyone plenty of notice so they can plan for registration.

As you register, keep these details in mind:

- We will confirm receipt of your registration by email within 24 hours of receiving your completed form. At that time, we will give you directions for options to submit your \$50 non-refundable deposit.
- When you arrive and check-in for the Gathering, we will be asking you to show proof of completed COVID vaccination. No exceptions.

We will post more updates on our social media pages and under this tab, as we get closer to August.

Tuesday, June 21, 2022

Wildacres' Fall Gathering will be Monday, October 31st – Sunday, November 6th and we have reserved space for 114 attendees (57 rooms).

Wildacres is currently operating at full capacity this year, unless we receive information from the state that indicates we need to reduce capacity. That means more opportunities for guests to enjoy the mountain! It also means that rooms will be double occupancy as in past seasons.

We will open registration for Fall Gathering on Tuesday, August 30th at 8am EST for individuals who did not register for the 2022 Spring Gathering. *(This includes all individuals who registered for the spring gathering, whether they attended or cancelled their reservation.)* General registration will open to everyone on Wednesday, August 31st at 8am EST.

If you are interested in coming to the Fall Gathering 2022, here are some details:

- The cost for the Gathering is \$455 as in 2021. That covers meals and 6 nights lodging. Plus the ever-popular opening night cocktail party.

- There is a \$50 non-refundable deposit at the time you register. You may pay by check, cash or PayPal. If you opt for PayPal, there is a 5% surcharge from PayPal. The remaining balance of \$405 will be due when you check in for the Gathering.
- All attendees must show proof of completed COVID vaccination. No exceptions.
- Please be sure to read our Commitment to Care Plan before registration so that you are informed about Wildacres' plans for health and safety protocols this season. A link to that plan is on the header of our website, as well as on our *Get Ready for Your Visit* page.
- We are beyond excited to be able to host another Fall Gathering – especially over Halloween - and cannot wait to see everyone back “on the mountain”!

We will post more updates on our social media pages and under this tab, as we get closer to August.
